EVENTS

Spring Break Camp

So Crafty is excited to bring back our Spring Break day camps! Each day will have its own theme with crafts and games to match. Each camp day will be a mini version of our popular summer camps!

Taste of Glass Fusion

Join us for an exciting new workshop with our resident glass fusion artist, Caroline Levet, who recently had her work displayed at Artigras! This beginner workshop is intended to introduce glass fusing to the student.

Kid's Night Out

We are thrilled for a night of crafts, games and of course, pizza! Your kids will love a night where they can just be silly, creative and hang out with their friends!
