

Join The watson B Duncan PTO!

The PTO is a non-profit organization that sponsors various functions and fundraisers throughout the school year. Our purpose is for parents and teachers to offer and achieve the best possible education and most positive experience for the students. Funds received from our membership drive and fundraisers are used to obtain necessary equipment and classroom supplies not covered in the PBCS budget allocations. The PTO also provides rewards and incentives to recognize student achievement and participation. The activities and events sponsored by the PTO are completely on a volunteer basis. We hope to involve as many people as possible this year to make each event a success. We urge you to be involved in the most important years of your child's life.

Membership Application

Membership is only \$10!!
