**WATSON B. DUNCAN
MIDDLE SCHOOL**

**PTO MEMBERSHIP
2018-2019**

The activities and events sponsored and run by the PTO are completely on a volunteer basis. We hope to involve as many people as possible this year to make each event a success. PTO meetings are announced via email on Facebook, on duncanpto.weebly.com, and on the marquee in front of the school. We urge you to be involved in the most important years of your child's life.

PURPOSE OF THE PTO

The PTO is a non-profit organization that sponsors various functions and fundraisers throughout the school year. Our purpose is for parents and teachers to offer and achieve the best possible education and most positive experience for the students of Watson B. Duncan Middle School.

The funds received from our membership drive and fundraisers are used to obtain necessary equipment and classroom supplies not covered in the Palm Beach County School Board budget allocations. The PTO also provides rewards and incentives to recognize student achievement and participation. The activities and events sponsored by the PTO are completely on a volunteer basis.
